

## Light Up the Field!

### *Doc Letchfield Park, Pinconning MI*

The City of Pinconning DDA and Pinconning Youth League Organization via Tri Village Association are working to upgrade our ball fields and replacing the field lights are part of this total upgrade project. Half of the ball field lights at Doc Letchfield Park are not working, and those that do work are very old (1980's). Our plan is to replace them with bright LED fixtures that save energy and last for many years! We have received commitments of close to \$10,000 so far via grant applications and private commitments, and are seeking more sponsors for this project, with our goal to raise \$40,000. Can you help us light up the field as doing so will allow more use of the field for regular and tournament destination play in the future!

Sponsors will receive recognition as described below.

**Any amount of donation-** project sponsor listing on master sign.

**Quarter Light Sponsor - \$500-** project sponsor listing on master sign and media announcement

**Half Light Sponsor - \$1,000 -above plus 1yr field Fence sign sponsorship?**

**One Light Sponsor - \$2,000-** all above plus 2yr field fence sign sponsorship.

**Three Lights Sponsor - \$6,000-** all above plus 3yrs of field fence sign sponsorship.

**Light Array Sponsor - \$10,000-** all above plus 5yrs total of field fence sign sponsorship.

**Make out your Tax-Deductible donation to Pinconning Youth League Organization**
