

CITY OF PINCONNING MASTER PLAN OPEN HOUSE

Work continues on the Pinconning Master Plan. After initial public meetings and a community workshop, *the City of Pinconning is inviting all interested persons to attend an open house where you will have the opportunity to review and comment on preliminary recommendations related to future land use, community character, economic development, circulation, and sustainability.*

The open house will take place between 4 and 7pm. You may come any time during the 3-hour window and stay for as long as you like. There is no formal presentation. Various displays and exhibits will be set up at the venue. You will have an opportunity to review the preliminary recommendations, engage with members of the project team, and ***share your thoughts about the future of Pinconning!***
